Sir

Sub : AP,SSA- Non Utilization of funds released under various intervention
by the Project Officers, SSA – Reg.

I am to state, that funds under the Interventions "School Grant, Maintenance Grant, MRC Grant, and CRC Grant were released to the Project Officers, SSA on 29.07.16. It is observed during the verification of the monthly expenditure statements received from DPOs, of AP, SSA that no expenditure under the above intervention was incurred even after lapse nearly 3 months.

In this connection it is informed that non utilization of the funds lead to short release of funds from Govt.of India and matching Share from the State Govt.

It is further informed that the release of 2nd Installment of Grants is due from Ministry of Human Resource Development Govt. of India during the month of November / December 2016. In order to get maximum funds from Govt.of India is essential to utilize the funds already released.

In view of the above, all the District Collectors are requested to instruct the Project Officers SSA to utilize the funds released to various interventions including the above for the purpose for which they were released as early as possible.

Yours faithfully

State Project Director
